

Seller certifies that puppy is in good health to the best of Seller's knowledge. Puppies are guaranteed to be vaccinated and health certified by a licensed veterinarian prior to shipping. Seller does not reimburse for veterinary checkups, tests, bills, medication or treatments, lab fees, surgery, or training of any kind after buyer receives puppy.

The Buyer agrees that any and all transportation at any and all times, to and/or from the Seller's premises, will be at the cost and sole responsibility of the Buyer. Buyer agrees to have puppy paid in full, including shipping, by the time the puppy is 6 weeks of age. Unless other arrangements are made in writing, deposit may/will be forfeited.

The Buyer agrees to maintain preventative health care of the puppy including, but not limited to: inoculations, internal as well as external parasites, and heart worm preventative medication. The Buyer agrees to maintain preventative care of the puppy in regards to hip dysplasia, such as proper nutrition, proper exercise, and preventing stress injuries (ie. Not allowing the puppy to jump from heights taller than itself at the shoulder, no excessive or forced exercise such as running, no climbing stair cases, until at least 12 months of age.)

Seller guarantees the puppy against crippling/severe hip dysplasia and genetic disease until 2 years (24 months) of age.

The Buyer agrees to not have puppy spayed or neutered before the age of 24 months to minimize health conditions caused by early spay or neuter. Health guarantee will be considered void by early spay or neuter, breeding before the age of 1 ½ years of age, or injuries/health conditions received due to negligence or trauma. Buyer must present all documentation along with x-rays to the Seller. When a puppy of equal value is available, replacement shall be made. 24 month replacement guarantee is for genetic conditions that limit service capability or life (Knockout Rotts reserves the right to have canine in question evaluated by a qualified veterinarian to validate any claim associated to this warranty). No refunds will be offered or paid.

Buyer agrees to release and hold harmless Seller for any and all liability, damages, or injuries, caused either directly or indirectly by Puppy to any person, animal, whether actual or legal, or to any property whether real or personal. Furthermore, Buyer assumes full liability for any damages or injuries, whether physical or mental, emotional or economic, caused by Puppy, to any person whether actual or legal, or to any property, whether real or personal, after receiving and acknowledging delivery and possession of Puppy. This constitutes the full agreement of the parties. There are no guarantees or warranties either expressed or implied beyond what is stated in this contract.
